

Manufacturer	Infinity Supercritical LLC	https://sambocreeck.com
Model	Fast Filter	Filter Trolley Made in Italy
Model Number	10L	BABF800 800mm 31 inches
Flow	10L in 5 Minutes or Less	Unclear Since Uses Batch Filter
Price (List Price Retail)	\$16,999	\$11,550
Not Included	All Inclusive System	5HP Air Compressor, Collection Tank
Basic Equipment	Dewaxing System	Dewaxing System
Price Included Options	Vacuum Pump, Paper Filter	None
Options	Paper Filter	Air Compressor, Paper Filter
Shipping	Crate, Freight, Insurance Included	Shipping is included (currently sold out)
Other Applications	Hemp oil, cannabis oil, crude oil, botanical oil, winterized solutions, algae	Hemp oil, cannabis oil, crude oil, botanical oil, winterized solutions

The removal of wax from a winterized solution (botanical oil extraction that has been mixed with ethanol, and put into a freezer to separate wax) can be a time-consuming operation. These machines decrease the time and increase production. This is especially important with industrial CBD production. Some systems can be used in the high-tech industry for Graphene.

Food Grade Bowl Material	Steel Frame and HDPE bowl	Molded plastic frame and bowl
Filters (Paper)	5, 10, 25 Micron Paper Filter	5, 10, 25 Micron Paper Filter
Collection Vessel Volume	14L or 3 Gallon Stainless Steel	Not included
Other Filter Media	Silica, Alumina, C18, PSA, CarbonX, and Zeolites	Silica, Alumina, C18, PSA, CarbonX
Filter Media Size	20 inches or 50 cm	31 inches or 800 mm
Retail Price of Paper Filters	\$200 for 100 filters	\$300 for 100 filters
Other Notes:	Made in USA. Filter paper available on Amazon or Infinity. Heavy duty 5 inch casters. Table top space can hold pour containers. Silent operation.	Made in Germany and Italy. Frame and cart is made from one piece durable polypropylene plastic. Requires external noisy compressor.
